

# THE Positive Safety Benchmark *express*

## Quick Results. Big Impact.

Safety is too important to rely on guesswork. The PSB Express solves the problem of not knowing where your safety culture stands by providing a clear, detailed view of the attitudes, behaviours, and perceptions that shape your workplace's safety climate.

### Quick Setup

Receive your survey in just 2 business days

### Rapid Results

Insights available 3-5 business days post survey

### Affordable

\$9,950 (ex. GST) for any organisation (AUD)

### Data-driven

Backed by 10+ years of industry data

## What's included?

- Access to our comprehensive safety climate survey
- A survey roll-out support and communication pack
- Bi-weekly response rate updates
- Customisable demographic categories to suit your organisation's structure
- Access to your own interactive results dashboard
- Benchmarking against overall and industry-specific data sets
- Historical data comparisons to track your data over time
- A 1-2 hour results interpretation session with a Sentis Principal Consultant

## Tailored Support Options

Available at an additional cost

- **Customised Report:** Detailed summary of strengths, opportunities and recommendations
- **Results Presentation:** Expert analysis and executive insights presented by Sentis consultants

# Measure What Matters

The PSB Express measures more than 25 safety climate dimensions across four key areas, including:

## PRACTICES

- Safety Communication
- Safety Systems
- Health & Wellbeing
- Approach to Incident Investigations
- Emergency Readiness
- Quality of Safety Briefings
- Job Resources

## LEADERSHIP
