Driving a Positive Safety Culture

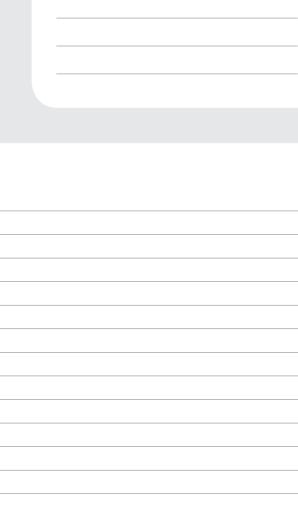

Empowering a Culture Beyond Compliance

Investment in safety culture is crucial. Even with the right equipment, experience and systems, if your people lack the motivation to take responsibility for their own safety, it's not a question of if an incident will occur, but when. But in a landscape where 86% of organisational sites operate within a negative or unhelpful safety culture, how do businesses unlock the next stage of their safety culture journey? sentis

About Sentis

Offering safety culture assessments, training, coaching and consulting, Sentis helps organisations to break through the safety plateau and achieve positive safety culture change. As experts in applied psychology and neuroscience, we make safety personal and equip employees with the knowledge, skills and motivation to make safer choices, each and every day. This leads to safer, more engaged workplaces, as well as increased productivity, leadership capability and transformational, sustainable safety culture change. Since the introduction of our pioneering ZIP program in 2003, Sentis has empowered more than 350 companies and 160,000 individuals to think differently about safety.
